# Reports.

The Russiam steamship Tchihatchoff reports left London on 17th March, and Singapore on 5th May. In the China Sea had buffling winds | 5,000 tons capacity. and calms and a very high sea from the North.

The British steamship Norng reports left

Swatow at 5 p.c., on 10th May, and had light. E.N.E. winds and thick atmosphere to port. Leaving the steamers Flintshire, Olympia, Rajah, and Swatow in Swatow. The German bark Minna reports left Keelung on 6th May, and experienced on the night of

the 9th to the 10th of May, in lat. 22.35 N. and long, 116.50 East, a heavy typhoon; lost bulwarks, boats, and water casks, and other movable things from the ship's deck. The German steamship Galatea reports left

Hamburg on 25th March; arrived at Port Said on 9th April; left Suez on the 11th; arrived at. Penang on the 29th, and left again on the 30th; arrived at Singapore on 2nd May, and left again on the 5th. In the Mediterranean Sea experienced very heavy gales and a very heavy sea, add up the China Sen had moderate winds and fine weather.

The British steamship Ningpo reports left Shanghai on 6th May, and bad light winds and cloudy wenther to the White Dogs. On the 9th the wind freshened up from the N.E., increasing to a gale with thick, rainy weather with a very high confused sea, the wind veered to N. and N.W. and continued increasing till a fair typhoon set in, with terrific gusts, and the sea running very high; this weather lasted till the morning of the 10th; when it moderated, since then moderate weather to arrival.

The German bark Papa reports left Liverpool on the 6th January. Had favourable winds till the 4th May, when had strong winds from the N.E. attended with squalls, thunder, lightning, and rain; in the afternoon the wind veered to the eastward; on the 6th passed the Colorato Rocks with strong breeze and heavy squalls from the N.E. and S.E. and short cross sea; at 2 p.m. modera's, bauling round to the W.S.W. West and W.N.W.; at 4 p.m. blowing a gale from the westward, hezy, and the sea running in all directions; at 6 p.m. moderate, and vecred to the N. and E.N.E.

The British bark Thermopylae reports left Sydney on 28th March, and experienced light variable winds to the Equator, which was one crossed on the 23rd April. Had E.S.E. trades moderate to the Ladrone Islands; from thence to the Bashees light Easterly winds; on 9th May, when 30 miles N.W. of the Pratas, it blow hard will be made on the premium charged on all from the S.E. and E. at 8 a.m.; by noon, it had Insurances, such RETURN being payable on the veered to 8.S.E., and by 6 p.m., it was W.N.W., issue of the Policy. blowing bardest from the South, and very heavy oross sea running. On the Lith at 9 a.m. made the Lama.

The Spanish steamship Zamboanga reports left Amoy on 9th May at 6 p.m., and anchored in the outer roads in consequence of threatening weather, The steamship Yesso also anchored in the outer roads till daylight on the 10th, and left four hours before the Zambounga. On the 8th in Amoy there was threatening weather, and towards evening a gale sprung up with typhoon violence and several Chinese oraft came to grief. Leaving the anchorage at outer roads the weather still continued to be very boisterous during the forenoon, and a very | 834 %) on Local Risks only. heavy sea was running. Passed two junks bottom up, but no persons could be seen about

a little probing. Had you any nutherity from thou, but would make a note of it. Mr. Duncan or anyone else to use it ! Witness-No. Mr. Russell-Then why did you use it? Witness-I don't recollect using the crocks.

I did not notice the item of \$657 in the pay list. although I signed it. We did not use much teak for some time after the typhoon. I saw the item of \$3,049 in Asing's account for April. remarked that such and such was there. was to Mr. Rozario I remarked it, I don't. recollect what he said in reply. He said "The Company have taken over that wood stored by Mr. Duncan," or words to that effect. I don't think we had used any of the timber then. We could not possibly have used the 94 crooks. The day book would not show that, as the entr By Mr. Brereton-I said the weights and would only be for so many feet of teak. never saw any teak wood pass through Asing's account before. We must have had a stock of our own at the time. I was Rozario's superintendent more or less. I am superintendent. but they trusted him too. I took this intimation from Mr. Rozario, and did not report it to Mr. Dancan, although Rozario was subordinate to me. I have no knowledge of having used the crooks belonging to Rinch's lot. Thave had no knowledge of the creaks being made over to vard at present.

> Witness—I expect we have. what did not belong to you? Witness We have had it since April. Mr. Bussell-Long possession will give a servested the second prisoner. The second pri- -Shanghai Courier Correspondent title to property in some cases, but this is on Witness-I thought the crooks were included n the \$3,049 in the April list. Mr. Russell-low long have you been

Witness-I have not been appointed yet.

Mr. Rossell—Then you must have up

Mr. Russell-What is your standing? Witness-I was appointed acting superi tendent four years ago by Mr. Mitchell. That has not been confirmed. I was appointed at \$175 a month, and I received \$50 a month from Capt. Minto for doing part of Mr. Duncan's work. and Mr. Durcan also received some of Capt. Minto's pay as he did some of the work. My present aslary is \$250. My allowance from Captain Minto ceased when Mr. Doncan wa confirmed in his appointment as secretary Some time after the company gave me permanent increase of \$25. I am not auro whether I did not receive one pay of only wanted \$225, as I did not like losing money, I spoke to Mr. Dancan two or three times about it, and he told me I should get it in two or three months. Two or three months

after, I received the increase to \$225 with back pay from the time I ceased to draw the \$50 monthly from Minto. That was about three vears ago. I received my next increase about eighteen months ago. If my salary is put down as \$225 in the April pay list last year it must be correct. I think I have been drawing my last increase for a year... On reference to the accounts it was found that the increase was given in May, 1875. Mr. Russell-The timber was taken over April, 1875 P.

Witness - Yes. Mr. Rossell-You know it was not Riach's Witness-I know Mr. Duncan, brought it? Mr. Russell-Was there any bill made out. Witness-There was a bill for the fetching

My husband had got straight to the chest, and there stopped short he approached it, no attempt at flight in. a grant of land from the Government, which a moment, as if suspecting a trap. Then he dicated a fear of man, but the bird bent down was glad to give away ground about here to put his head close to the narrow opening, so its neck in mute submission. In pity, he any one who would take the trouble to clear that I could feel his bot breath on my face, plucked out the dart, and the crane, after it; and well it might! For in those days the snuffed once or twice to satisfy himself, and some sceble flutters of its wings, rose from mate (jungle) reached right down to the then tried to force the lid up with his paw! "Ay de mil how I trembled! but, thank though to thank him, and flew off towards it looked of briars, bamboos, Spanish bayonet, God! the great paw would not go into that wild fig. liana, pirijao, locustwood, and what little chink. All he could do was to get his Days passed on in the old routine of life, not, that I felt as if I daren't even go a step tongue in, and lick my fingers, making them bleed as if they had been rasped with a saw was fully set, he found seated with his mo. | my husband and his peons went manfully to | And then, what with the taste of blood, and ther a charming girl, who welcomed him with work, chopping, felling, rooting, fending, what with hearing Lolita crying inside (for grace in spite of his despicable appearance, digging, all day long except just in the worst she, poor darling, was as much frightened as heat; and many a time I've seen them come I was), his fury was roused, and he began to "Who is she? How comes she in this back so tired out that they just dropped roar, not an honest, deep-mouthed lion roar, but a sharp, sparling yell, that mad my very blood run cold. Ugh ! I can't think "Though you are now a man, my son," hours later, that they had any thought of how I didn't die outright; but the touch of Lolita's little arm, clinging round my neck scened to give me courage.

"But the worst was still come. Finding that he could not reach me from below. h sprang on the top of the chest, crushing m hand between the hid and the upper edge Then I thought all was over, and gave scream that made the whole house ring. "My scream was answered by a sound that made my heart leap the distant cry

a bloodhound! The jaguar heard it, too, for he leaped down and stood listening a moment and then ran to the door, as it to escape There it was again-much neater-and wit it the voices of men calling to each other They were coming back! Meanwhile, th iaguar seemed to get bewildered, and ray wildly up and down the inner cyallery Suddouly there came a loud shout at one the windows, and then two shots and a fright ful yell, and then my husband's voice straine to its loudest: 'Cachita! where are you?' just managed to crawl to the door and le

him in, and then I fainted outright. - "They told me afterwards that our blood hound had struck the trail of the lagua leading straight toward the house; and the they all set off to run like madmen, fearing some harm to me. My husband and Jos distanced the rest, and came up just in tim to shoot the beast through the window; bu he saw it rushing about inside, he felt lik one under the collar of the garotte (the in

strument of execution). "As for my hand, it was so crushed tha couldn't stir a joint of it for weeks after The Indiana doctored it for me, and the tell me I shall have the use of it again by and-by: but I don't need that to remind me of that day. If I live a thousand years. shall never torget it!"-All the Year Roun

ACTRESSES OFF THE STAGE. The World in an article on actresses, savs: -Consider yourself honoured if she do not eye. With a shrill scream, she angrily and serpents, the bigger beasts had never a law of second nature; but how terrible to moved to the door, and, taking flight, was disturbed us at all; but now just as we were have to do it before them! It is like for ever lost to view, leaving her husband a beginning to have a little peace from our Salvini's feat of playing Othello before a wiser-but, it is said, not a better man .- other plagues, the four-footed gentlemen house full of brothers, and consequently Africa

"But I must take it to the Daimio, and to their work one morning as usual, and I act before you. It is a sign that, for her. the Governor gave him for the rarity (which of it, like an orange. I knew at once that two or three are gathered together is as a enchanted Her Majesty herself when pre- there must be a snake somewhat about, for spring that sets the histrionic machinery in sented) the family lived in clover, until the they're mighty fond of mice, and that's just motion. We have seen actresses play to husband considered it desirable that his wife's the way they deal with them; but, look as I prefection in entering a waiting room at talent should again be put in requestion. might, I could see no snake anywhere, till the railway; and have rarely known them Audacious suddenly the thought struck me, could it be go out to dinner without turning the meal Charybdis The spirit of prying imperfinence, born of under the child's mat? As gently as I into a stage banquet. Do we blame them? Carlow greed and tyranny, may not then have could, I lifted up one corner, and there it Not a bit of it. Only let any man know that Dwarf existed in loved Dai Nippon, but curiosity was, the long, slimy, green-and-yellow beast, others have their eye upon him, and he will Egeria did, and Mulanokichi possessed his share of curled snugly up and fast calcep: Ay de mill infallibly order his demeanour accordingly. Frolio it. Speculating on what the woman possibly what a start I got. I knew that I could do Besides, as has been said, in their case there Growler could want to be in there all alone for, when nothing with it myself, for it was a sort that is the slavery of mere custom; they must do his talk might as well chime with the clack you only kill by shooting them; so I ran out these things, whether they were noticed or Hornet of the wheel, and he might learn some art into the courtyard, and, luckily, the first not, when they are in the presence of a Juno worth informing his lord of, he put down thing I saw was our hunter Jose, with his potential audience. "Qui vive?" cries the Kestrel bis pipe, and well ciling a sharp knife gently gun on his shoulder. I called him at once, sentry, although he knows for certain it is Lapwing scraped away the mud from a portion of the and he settled the beat with a charge of the lootstep of a friend, for watchfulness is Lily the acquired habit of the service. A picnic "However, as the work went on, and we tries them more than a five-act-piece. Put Boning over his wife's spinning wheel a got more and more ground cleared, our yourself in their place; funcy having to play Mosquito great white crane, from whose breast the visitors began to forsake us; for snakes Wattenuall day with no interval for a change Ringdovs silky down was twisting into the finest thread must have a thick cover to burrow in, and, of costume, or for a restorative touch to the Swinger that mortal eves have ever beheld—that when that's taken from them, they spon complexion, and as one of a scratch company Sylvia would have tried the eyes of a fairy to sew slink off. So then I began to hope that we with whom you have never rehearsed. A. That is with, but, ah! here and there reddened with were fairly at the end of our troubles; but dinner-party is less fatiguing; it is sharp Thistle a drop of the hearts' blood of the lovely we weren't we were only at the beginning while it lasts, and the fact that the men can Victor Emanuel only look approbation, instead of sound it, is Vigilant eye-remained glued to the wall, until an "I don't know how it was perhaps it dispiriting; but the performer gets her exit exclamation escaped him on hearing his may have been that (as the proverb says) when the hostess rises. There comes a new mother call him. Startled by this, the crane everything must have its turn-but, some strain, though, when the ladies reach the turned her head and saw the sparkle of his how, all through our troubles with the ants drawing-room. She must go on acting, it is
